The aim of this course is to provide delegates with an overview of strategies that enhance students' overall learning outcomes with the 4 macro skills for language learning (listening, speaking, reading & writing) .

1. Explore the nature with different assessments and apply in classrooms with specific purpose
2. Build knowledge and strategies that involve greater interaction
3. Imply the skills for differentiation
4. Network with teachers of the same language teaching

Jessy Tu currently works as Curriculum and Strategic consultant at Shrewsbury International School Bangkok. She has over 15 years of language teaching experience in both Australia as Mandarin and ESOL teacher for Secondary school and close to 9 years of experience as a Curriculum Coordinator for NSW Saturday School of Community Languages (Dept. of Ed) managing 5 languages. She has been a reputable trainer for Professional Development training for many international schools from different countries and guest speaker for regional universities in Asia. Having graduated with a degree English literature from Taiwan, Jessy went on to receive her professional training and Masters degree as an adult educator and secondary school teacher from Sydney university. Whilst in Australia she was involved with K-10 syllabus and Higher School Certificate examination for NSW Board of Studies.
