

KEY STAGE 2 TEACHER

We are looking for an outstanding Key Stage 2 teacher who is committed to preserving the joy of childhood. Our Key Stage 2 provision continues to use characteristics of effective play at age appropriate levels. This includes a design thinking framework used by the children to explore passion projects and child-led, research-based learning balanced with direct teaching. Our provision effectively weaves a narrative through the learning, allowing children increasing choice and control in learning experiences that incorporate their interests. We believe in the educational power of children as explorers and leaders of their own learning. Our children deserve a teacher who has the highest expectations and who is a passionate, positive and caring advocate for the children in their class. We are looking for a teacher who is committed to individualised education based on excellent relationships and an understanding of their learners as unique individuals beyond the usual data points.

We offer outstanding, well-resourced indoor and outdoor environments, including our own Forest School surrounded by tropical jungle. Our children are amazing and will fully commit to the learning adventures that you jointly create with them.

If you are the reason children run into school excited about the learning adventures that await, and you want to take risks and try new things, then we are the school for you.

Previous overseas experience is not essential. However, the desire to work in a genuinely international community is.

Jerudong International School is committed to equality of opportunity for all staff, and applications from individuals are encouraged regardless of any of the protected characteristics of the 2010 UK Equality Act.

Safer Recruitment

The safe recruitment of all colleagues (including consultants/ contractors/ supply teachers, activity providers and volunteers) in schools is the first step to safeguarding and promoting the welfare of children in education.

At Jerudong International School we ensure the practice of safer recruitment in checking and recording the suitability of staff and volunteers to work with children.

As part of the safer recruitment procedure, we will require the following information prior to starting work at JIS:

- Up to date police records from a teacher's country of origin and previous country of employment.
- Two references, one of which must be from the current employer. If a teacher has worked in two or more schools, within 5 years, telephone contact will be made with those schools to ask why the teacher is leaving and if there were any concerns of a safety nature with children.
