

POP-UP BOOK DESIGN COMPETITION

Your pop-up book could be made using any materials available.

You could use the computer or illustrate your book by hand.

Try to research mechanisms to make your pop up parts work successfully.

Don't forget, your book should help to educate others about one or more of the 17 United Nations Sustainability Goals or SDG's. The link to the SDG's is here ➡

POP-UP BOOK DESIGN COMPETITION

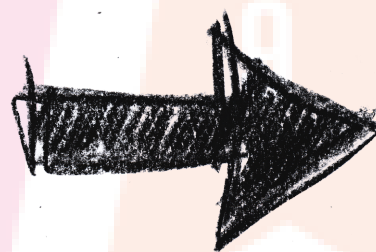

From September 1st 2021 until November 12th 2021, POWIIS will be hosting a Sustainability pop-up book challenge.

The competition is open for Year 5 to Year 9 students and certificates will be awarded for the top three winners in each year group category.

Students should design and make a pop-up book inspired by one or more of the United Nations Sustainability Goals or SDG's. The book should help educate others about the chosen goal or goals and have a story line or narrative inspired by sustainability.

Students can use any medium to create their book and may submit either the physical item by post or send photographs/video evidence of the final outcome via email.
