

The British School

Head of Faculty: Secondary Mathematics and Computing to start from August 2023

The British School Kathmandu is a not-for-profit and a non-selective school, which has a rich history of educational excellence, compassion, and kindness stretching over 55 years in Nepal. The British School Kathmandu currently educates around 550 students from ages 3-18 from over 40 different countries, from both local and expatriate families, who trust us to care for and educate their children. Our students achieve excellent results, consistently well above UK averages, but more importantly, they are kind and a delight to teach.

Set within a leafy campus in Lalitpur, Kathmandu, our Maths and Computer Science Faculty is a core element of our Secondary section. TBS generally delivers Cambridge International and Edexcel examinations at IGCSE, AS and A Level.

We are looking for an enthusiastic Head of Faculty to lead the team from **August 2023**. They will also be responsible for teaching Maths. The successful candidate would be responsible for facilitating high quality education and support for students across the faculty, including leading and developing teachers.

The ideal candidate will:

- Be a highly effective classroom practitioner
- Be a thoughtful and collaborative leader who can bring out the best in their team
- Understand, follow and enable best practice in others
- Establish and maintain a stimulating and safe learning environment
- Showcase and raise the profile of Maths and Computer Science including supporting options processes
- Have a passion for the teaching of Maths and share this enthusiasm with colleagues and students
- Have the ability to plan and deliver innovative Maths schemes of work and lessons to meet the needs of all learners, challenging them to make continuous improvement
- Have a willingness to contribute to the vibrant school life through the delivery of extracurricular classes and offer additional skills that will support our school

The British School

- Work collaboratively with the other Heads of Faculty in supporting school policy, procedures and ethos.
- Work collaboratively with the Faculty in establishing a clear, shared vision and ethos for Maths.

The school is a founding member of the Federation of British International Schools in Asia ([FOBISIA](#)) and a fully accredited member of the Confederation of British International Schools ([COBIS](#)).

Salary: competitive including annual flights, comprehensive medical cover, housing, freight allowance and gratuity.
