

PHYSICS TEACHER

We are looking for a well-qualified and inspirational subject teacher who empathises with the academic and holistic ethos found at top British International Schools. You will need to have a passion for being fully committed to making learning magical, providing individualised pastoral care for every student and a varied and genuinely rewarding enrichment curriculum. Previous overseas experience is not essential. However, the desire to work in a genuinely international community is.

Jerudong International School students motto is **“Togetherness and Community: Embracing Individuality and Unity.”** Central to this is our Polio Points reward system. Year 7 to 13 students are challenged to act in a way that goes beyond what we would normally ask of them to do. The reward system is based on our six student aims of Leadership, Resilience, Communication, Thinking, Engagement and Integration. They are then rewarded with a Polio Point (as part of the international End Polio movement) which directly contributes to a donation to UNICEF.

This ethos is integrated fully into our journey towards becoming a truly sustainable school community and the goal of becoming a [Green Flag Eco-School](#). Our aim is to ensure that in every area of the school we try to think more carefully about the impact that we are having on our own local community and in the world around us. Beyond this, we encourage the students to think beyond the school campus and look at how their actions can have global effects. The [Sustainable Development Goals](#) is a blueprint to achieve a more equitable, peaceful and sustainable world for everyone. The school aims to inspire our students to be socially responsible, global citizens equipped to deal with the challenges of the 21st century. We believe that this image above encapsulates our focus for every student and teacher in the Senior School.

Jerudong International School is committed to equality of opportunity for all staff, and applications from individuals are encouraged regardless of any of the protected characteristics of the 2010 UK Equality Act.

Application Process

To apply, please complete the TES online application Form. Professional references must include the applicant's current and most recent employer with their professional email addresses. We will not accept personal email addresses unless there are extenuating circumstances.

You will also need to upload an up-to-date CV with a recent photo and a letter of application outlining your suitability for the post. CVs sent to the school without an accompanying application form will not be accepted. Applicants submitting an incomplete application form will not be shortlisted.

The closing date for applications is **Monday, 28th November 2022** although early applications would be most appreciated. Interviews will be by Google MEET or Zoom.

Applicants who have not been contacted by **Friday, 16th December 2022**, can assume that on this occasion they have been unsuccessful and are sincerely thanked by the School for their interest.

The successful applicant must be available to commence employment in **August 2023**.

Safer Recruitment

The safe recruitment of all colleagues (including consultants/ contractors/ supply teachers, activity providers and volunteers) in schools is the first step to safeguarding and promoting the welfare of children in education.

At Jerudong International School we ensure the practice of safer recruitment in checking and recording the suitability of staff and volunteers to work with children.

As part of the safer recruitment procedure, we will require the following information prior to starting work at JIS:

- Up to date police records from a teacher's country of origin and previous country of employment.
- Two references, one of which must be from the current employer. If a teacher has worked in two or more schools, within 5 years, telephone contact will be made with those schools to ask why the teacher is leaving and if there were any concerns of a safety nature with children.
