## Mother Tongue Program in International Schools

3<sup>th</sup> – 4<sup>th</sup> May 2019 8.30 – 15:30

Hosted by Tanglin Trust School Singapore

During the Job Alike Workshop (JAWs) there will be an opportunity to network with teachers from other FOBISIA schools to share experiences and effective practice on running the Mother Tongue program in International Schools.

We expect educators who attend this JAWs to leave with an understanding of ways for running the Mother Tongue program in KS3-4 and SSST in KS5, along with some ideas for language placement.

The JAWs will offer detailed insight into:

- Running the Mother Tongue program as an extra or core
- Diagnostics for language placement
- Differentiation in the Mother Tongue classroom
- IB Pathway and SSST
- MT programme continuity across the school
- Raise the profile of Mother Tongue
